

Logical Terminus
LA State Project No. 736-99-1032
Connection with I-69 SIU No. 13

20 Road Miles from I-20

Note: Identification of undeveloped non-wetlands south of Sarepta and Homer was not completed because all undeveloped non-wetland south of these points currently has access to Interstate 20. Therefore, the net economic benefit potential of providing new interstate access would be limited south of these points.
